Your hotel in Tokyo :

THE PENINSULA TOKYO 5***** deluxe

1-8-1 Yurakucho Chiyoda-Ku

Tokyo 100-0006 · Japon

www.peninsula.com/tokyo

The Peninsula Tokyo is a real gold mine. Most major hotels in Tokyo occupy the top floors of multifunctional skyscrapers, but this is not the case of Peninsula which owns the building, even the ground floor. Located in a unique place, in Marunouchi and near the Imperial Gardens, the hotel offers impressive views during the day and rare thing in Tokyo, a landscape of total darkness at night. Apart from the spectacular panorama they offer, the "deluxe" rooms, which we reserved, are equipped with all the high-tech, but also low-tech comfort for a hotel of this stature. The 24th floor restaurant is not to miss: the most glamorous in Tokyo and it offers stunning views.

Our opinion: The top of luxury hotel in Tokyo.

Votre hôtel à Kyoto :

THE KYOTO HOTEL OKURA 5*****

Kawaramachi-Oike, Nakagyo-ku,

Kyoto 604-8558 Japon

<http://www.kyotohotel.co.jp>

The Kyoto Okura Hotel is located in Kyoto near the imperial palace. The Kyoto Okura Hotel is a luxury hotel, sumptuously decorated with a touch of the 20s. The hotel has a shopping mall and an indoor pool. The rooms are spacious and beautiful, they provide modern comfort and have large windows with gorgeous views of the mountain.

The hotel has 322 rooms beautifully decorated in a western style. All rooms offer a superb panoramic view. Superior rooms, which we reserved, are equipped with Internet, air conditioning, television with cable and satellite, mini-bar, refrigerator and room service

Our opinion: Luxury hotel in Tokyo since 1888. A 'not to be missed'!
